Battle Against the Face Craters!

Take a good
look! This is the
greatest of my
Demon Arts:
PLANET FACE!

**What's this??
The faces of
Kinnikuman's
friends have
appeared on
each planet!**

**This
must
be...**

**It's their
faces!**

**Somehow
Planetman
absorbed our
souls!**

**Are all of
you alive!?**

Kinnikuman!

**Kinniku-
man!**

I can't!
Please let
them go!

Go on,
attack me!

That
means

It looks like
Planetman
holding us in
his body is
preventing us
from dying.

That's
what you
want to
hear!

To wipe
out those
"face craters"
on your body!

However,
I'm not panicking.
I already know
what to do...

As long
as I'm not
afraid of it,
I can take
advantage
of that!

Let me put
it this way,
Planetman:
your face crater
technique isn't
100% flawless!
I'd say it's about
90% at best!

I'm not
worried.

Meat, this
is the end!

What
do you
mean!?

Planetman
charges in!

Kah Kah Kah!
You can't
defeat this
technique with
that gibberish!

I'll show
you where the
flaw is!

Kinnikuman
jumps!

The flaw is...

Kinnikuman
is using a Pile
Drive!

There isn't
a face crater
on your
head!

Wow!

You
don't
mean...

Tell me
Kinnikuman:
where do you
think my
Gold Mask is?

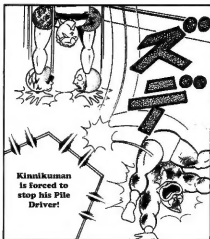

Huh?

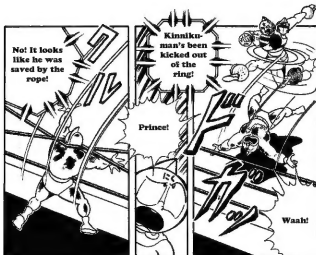

Did you
really think
I'd overlook
something that
obvious?

The
Gold Mask
emerges from
Planetman's
head before
he hits the
mat!

What are
you doing!?

Of course.
The best
course of
action is to
just take
back the Gold
Mask.

Kinniku-
man!

There's still one
last chance. If it
doesn't work...

I'm thankful to have
friends as great as you,
but I still want to try
to beat him without
sacrificing anyone.

Up you
got

Then
I'll never
forget your
sacrifice!

With the failure of the Kinniku Buster, the Chojin have returned to the ring.

Which means there's no floor or ceiling! The Kinniku Buster is impossible in Space Hell!

Kah kah kah! In space, there's nothing above or below you.

But I
can't!

Listen! My face is right above
Planetman's heart! If you
punch through it, you can
kill Planetman instantly!

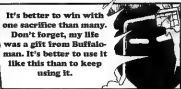

That
means that
attacking
them will
hurt him!

I see. The face
craters hurt
Planetman along
with hurting us.

**Face
Crater
Crash!**

It's better to win with
one sacrifice than many.
Don't forget, my life
was a gift from Buffalo-
man. It's better to use it
like this than to keep
using it.

Kah kah kah!
Kinokuman
won't do that.
Now I'll turn him
into a face crater!

**DO
IT!**

Do it,
Kinokuman!

Kinshikuman
has smashed
Warman's
face to end
Planetman's
life!

Ah!

It can't be!
Kinshikuman
has reached
out to
Warman!

Golden Mask Arc 11

Recycle Zone!!

A Team Kinshik Release

**You've
done well,
Kinniku-
man. This
is the end
of Planet-
man.**

**Planetman's
face craters...**

**They're
vanishing!**

GYAAA!

**Planetman
looks like he's
in pain!**

**Prince!
They're all
back to
normal!**

What about the ones at Kouraken Stadium?

Perhaps we took some of Planetman's power with us when we escaped his face craters.

By why just the eight of us?

What about the ones at Kouraken Stadium?

Perhaps we took some of Planetman's power with us when we escaped his face craters.

By why just the eight of us?

What about the ones at Kouraken Stadium?

Perhaps we took some of Planetman's power with us when we escaped his face craters.

By why just the eight of us?

**My power
has fully
returned!**

**We're not
even in
our life-
support
bubbles!**

**My power
has fully
returned!**

**We're not
even in
our life-
support
bubbles!**

The broken life-support bubbles have returned to normal: What happened?

We owe
you our
lives.

Thanks
to you,
countless
Chojin
were
saved
tonight.

Kah kah
kah!

Planetman is
standing, even
though his
heart was torn
open! He truly
is a spawn of
the devil!

Wareman!

I won't die
that easily!

I'll
decide it
with this
Planet
Ring!

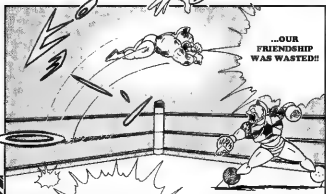

Was
Wareman's
beautiful
sacrifice
for
nothing?

キン肉マン 四

If this attack hits me, then both Wolfman and Warsman's sacrifices were in vain. If that happen, then...

Planetman's throw is headed toward Kindkuman!

THAT IS IT!
He'll's
Planet
Ring!

Kah kah kah!
It's pointless to
avoid it. It'll keep
following you
until the day I die!

Now it's
really over!

SUPLEX!

**BLACK
HOLE...**

Kinnikuman
has thrown
Planetman
through the
hole in the
ring, to fall to
a 50 meter
demise!

**I've done it!
I've broken
through
Space Hell!**

Right.

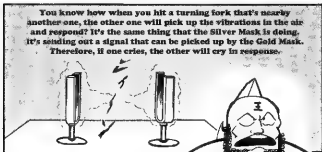

**Don't forget
the Silver Mask!
You can't tell if
it's real or not
without it!**

**Oh,
Geronimo.**

**Hold
on!**

Come on!
Cry!

It couldn't
support the
Silver Mask's
soundwave, so
it shattered!

It
broke.

Uh...

...and it
turned out to
be a fake!

Warsman gave
his life to help
us get that...

It's the
Devil
Knights!

What's
that
noise?

Heh
heh heh...
The two
bells so far
were just
preliminaries.
This is where
things get fun!

What do
you want!?

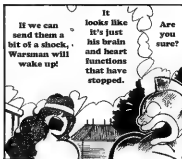

Wait,
Kinniku-
man.

Why are
they entering
Warsman's
dead body!?

Hey, get
back here!

If we can
send them a
bit of a shock,
Warsman will
wake up!

It
looks like
it's just
his brain
and heart
functions
that have
stopped.

Are
you
sure?

Warsman
is alive!

Someone needs to enter his body and give a direct shock to the brain and heart!

How are we going to do that?

If we don't, Warsman will die!

Even if we could, the four Devil Knights are in there!

That's crazy! How are we supposed to get in there!?

The Devil Knights are in there laughing!

What's this well for?

Huh?!

Anyone who enters will turn microscopic and you'll enter Warsman. However, no matter what you're trying to do in there, you'll have to go through us.

We'll give you the chance. This well is called the "Recycle Zone" and leads into Warsman's body.

But it's
the only
way to save
Warsman!

That's
true.

It's
probably
a trap!

I won't
force you
to come.

Just so you know,
this rope can only
hold 5 people.

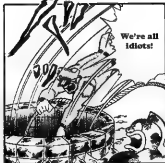

I'm
coming,
too!

I'm
going!

I'm not going
to stand by
and watch
my pupil die.

Golden Mask Arc 12

The Miraculous Ring!

A Team Kinniku Release

Don't worry,
Warsman!
We're coming!

The Idol Chojin are
being pulled into
the Recycle Zone
from outside in
order to save
Warsman's life!

Are
you guys
alright?

Suguru!

Woah!

That means they made
it into Warsman's
body alright!

It keeps
changing
into
everyone's
faces!

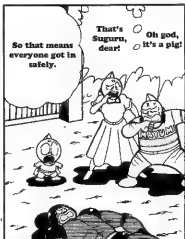

INSIDE
WARSMAN

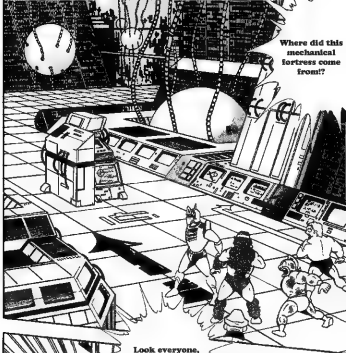

So that means
everyone got in
safely.

That's
Suguru,
dear!

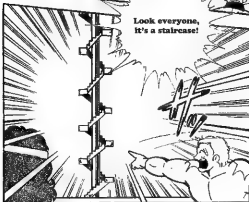

Oh god,
it's a pig!

Hey!

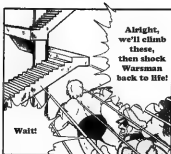

Where did this
mechanical
fortress come
from!?

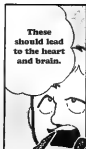

Look everyone,
it's a staircase!

This is
what it
looks like
inside
Warsman...

Wait!

Alright,
we'll climb
these,
then shock
Warsman
back to life!

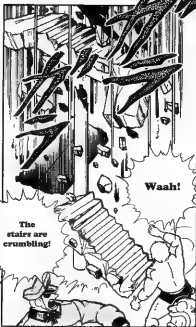

These
should lead
to the heart
and brain.

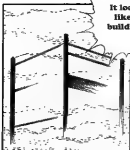

Without
these stairs,
it looks like
we need to
find another
way up...

Huh?

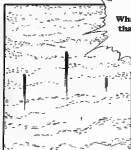

Waaah!

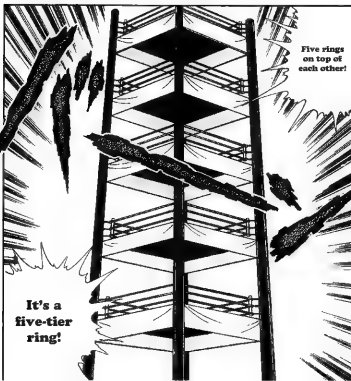

The
stairs are
crumbling!

It looks
like a
building!

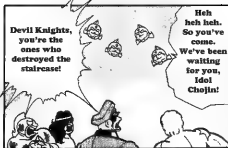

What's
that!?

Five rings
on top of
each other!

It's a
five-tier
ring!

Heh
heh heh.
So you've
come.
We've been
waiting
for you,
Idol
Chojin!

You came here
expecting to quickly
revive Warsman.
Unfortunately, that
won't be happening.

Then it was a trap,
HAAAAA!!?

That was the
original plan, but
we got tired of
Kinnikuman only
picking the weak
hells.

What happened
to the other hells
being in Kuramae
Sumo Hall,
National Stadium,
Seibu Ballpark and
Dennou Coliseum??

Of course.
This invitation
into Warsman's
body was just so
we could destroy
you.

We were lucky we found this piece of junk you call "Warsman". We knew that your foolish friendship would make you live in without thinking.

Plus, they were all gathered in one place when it was over. We talked it over and decided to sacrifice all of you in our hells.

When the Innocent craters failed, the Idol Chojin got their strength back.

What?!

Well, it looks like you already know the score. We won't leave until we've fixed Warsman's body!

Well, in that case, I'm headed back.

You terrible Devil Knights! You called us all in here for that?!

This five-tier ring!

Heh... with the staircase broken, the only way to get to his heart is...

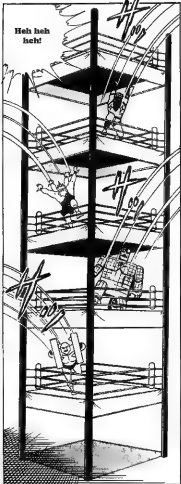

**Fight us,
Justice
Chojin!**

They've
shown
themselves
again...

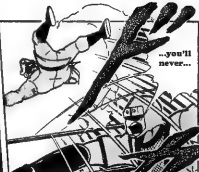

Finally,
you've shown
your true form,
devil!

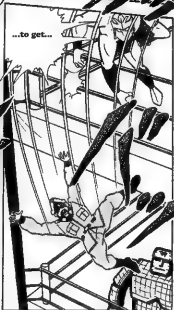

...be
able...

...you'll
never...

...part
our...

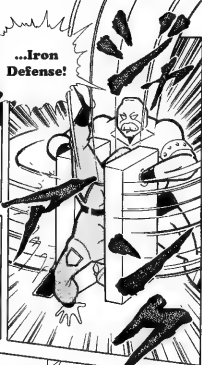

...to get...

Broken...

...Iron
Defense!

We can't get
through their
iron defense...

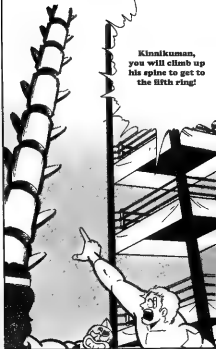

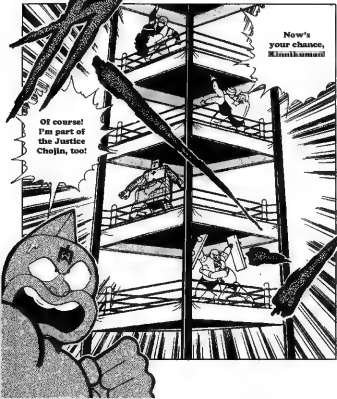

There are four
Devil Knights.
Between us, we
should be able
to beat them
one-on-one.

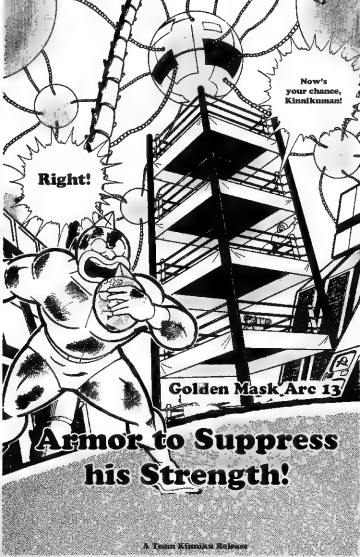

We
can't give up,
Kinnkuman!
The five of us
can do it!

Terry, let's
head back
already! We
can't revive
Warsman!

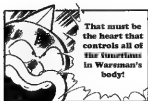

Now's
your chance,
Kinnikuman!

Right!

Golden Mask Arc 13

**Armor to Suppress
his Strength!**

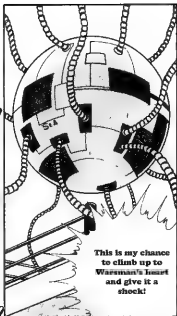

That must be
the heart that
controls all of
the functions
in Warsman's
body!

TOSHIMA
PARK

It sounds
like something's
happening inside
of Warsman!

This is my chance
to climb up to
Warsman's heart
and give it a
shock!

There's a
beam of light
coming from
his eyes!

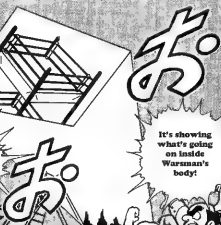

Aah!

Something's
appearing on
the night sky!

Look up
there,
everyone!

What's that
ring for!?

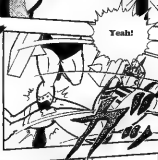

It's showing
what's going
on inside
Warsman's
body!

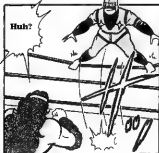

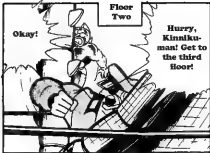

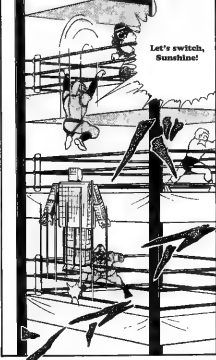

If I'm right about
this, there's no way
they can make it to
the top until all
four are defeated!

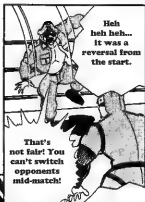

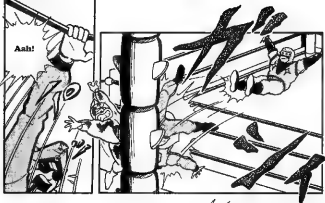

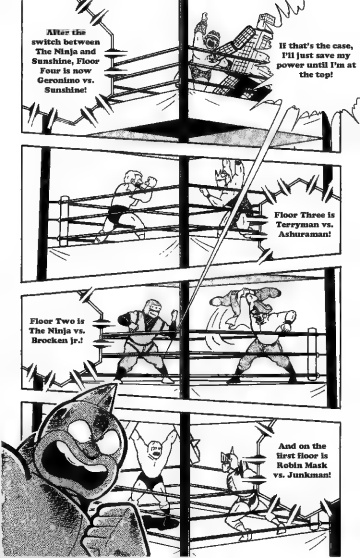

It can't be!
The Idol Chojin
must be having
a match with
the Devil
Knights in his
body!

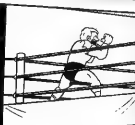

After the
switch between
The Ninja and
Sunshine, Floor
Four is now
Geronimo vs.
Sunshine!

If that's the case,
I'll just save my
power until I'm at
the top!

Floor Three is
Terryman vs.
Ashuraman!

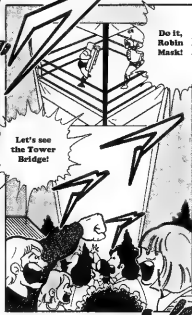

Floor Two is
The Ninja vs.
Brocken jr.!

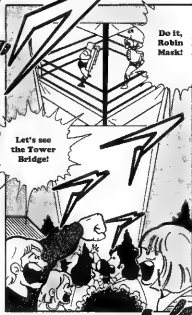

And on the
first floor is
Robin Mask
vs. Junkman!

A black and white comic panel showing Kinnikuman in a boxing ring. He is being struck by a large, dark, jagged object that is falling from above. The impact is shown with motion lines and a large 'X' mark.

Take this:
**Junk
Crash!**

A black and white comic panel showing a wide view of the Tower Bridge in London. The bridge is illuminated with bright lights, and the surrounding city is visible in the background.

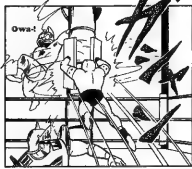

Let's see
the Tower
Bridge!

A black and white comic panel showing Robin Mask standing on the Tower Bridge. He is holding a large, dark, jagged object that is falling from above. The impact is shown with motion lines and a large 'X' mark.

Do it,
Robin
Mask!

A black and white comic panel showing Kinnikuman looking up at the Tower Bridge. He is holding a large, dark, jagged object that is falling from above. The impact is shown with motion lines and a large 'X' mark.

If I get hit
by that,
it'll be the
end of the
match...

A black and white comic panel showing Kinnikuman in a boxing ring. He is being struck by a large, dark, jagged object that is falling from above. The impact is shown with motion lines and a large 'X' mark.

Owa-!

A black and white comic panel showing Kinnikuman looking up at the Tower Bridge. He is holding a large, dark, jagged object that is falling from above. The impact is shown with motion lines and a large 'X' mark.

Sorry,
are you
alright?

A black and white comic panel showing Kinnikuman looking up at the Tower Bridge. He is holding a large, dark, jagged object that is falling from above. The impact is shown with motion lines and a large 'X' mark.

Don't
worry
about it.

A black and white comic panel showing Kinnikuman looking up at the Tower Bridge. He is holding a large, dark, jagged object that is falling from above. The impact is shown with motion lines and a large 'X' mark.

If that
were any closer,
Kinnikuman
would have been
crushed!

Junkman is
rushing Robin
Mask again!

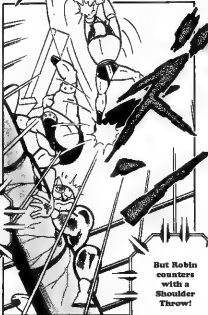

**JUNK
CRUSH!**

O-ua!

Junkman
is flying
toward
Kinnikuman
again!

But Robin
counters
with a
Shoulder
Throw!

NE HE HE HE
Shut up and
take my Junk
Crush head-
on!

I'm
trying!

Hey Robin,
you're
supposed to
be keeping him
off me!

What!?

...then it'll just
hit Warman's
spine and
Kinkman.

If you
don't...

That
means he took
Kinkman's
position into
account while
he attacked.

How can this be?
He must have
predicted I'd
avoid his attack,
so he always
attacked in a
certain direction.

You can either
sacrifice yourself or
your friend. Which
will it be?

NE HE HE HE
We Devil Knights
always calculate the
best way to attack.

If Robin
Mask dodges
this, it'll be
the end of
Kinnikuman!

Let's go!
**JUNK
CRUSH!**

...but I still need to
find a way to
avoid the Junk
Crush.

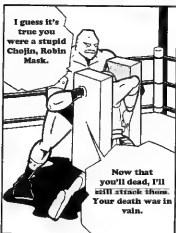

I can't let
Kinnikuman
or Warsman's
back be
crushed...

Plus, Warsman's
spine will be
shattered. If he
doesn't dodge,
he'll be crushed!

It's too
late!

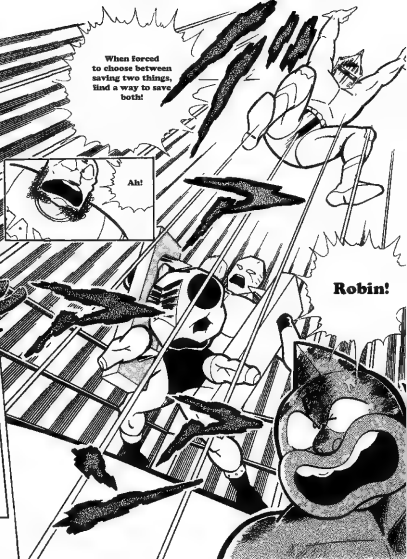

I can't!

DIE!

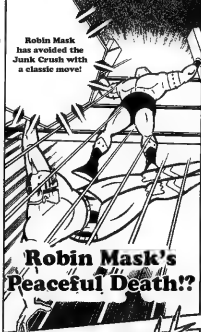

When forced to choose between saving two things, find a way to save both!

This must
be the true
power of
an idol
chojin!

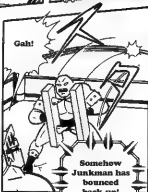

Robin Mask
has avoided the
Junk Crush with
a classic move!

Robin Mask's Peaceful Death!?

Heh heh heh...
This makes
me happy.
I fell for your
trick on
purpose.

What?

Gah!

Somehow
Junkman has
bounced
back up!

Golden Mask Arc 14

Robin Mask's Peaceful Death!?

But the
real reason I
walked into
his trap was...

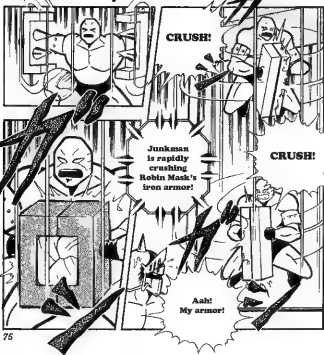

For me to get
serious, I need
to junk this
armor to get
to his fragile
insides.

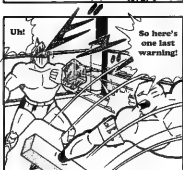

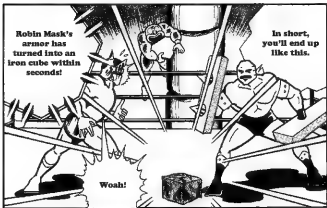

What do
you mean!?
You just
blindly
rushed him!

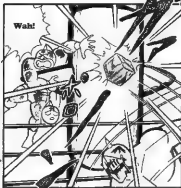

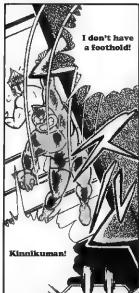

So I could
show him
what's
going to
happen to
his body!

**JUNK
CRUSH!**

You're rushing
to you death,
Robin Mask!
You don't have
your armor
this time!

Robin Mask
stands ready
to protect
Kinnikuman!

ROBIN!

Ugh...

Robin Mask II
stopping Junkman
with his own two
hands!

...but now
you're
finished.

You're the first
one who's been
able to stop my
Junk Crash with
his bare hands.
I'd expected that
from the leader
of the Idol
Chojin.

You
did it,
Robin!

What's
wrong,
Robin?!

Spikes have burst
from Junkman's
body, sending
Robin Mask
flying!

Heh heh heh...
You're so busy
worrying about
my arms, you
can't see what's
right in front
of you!

Uuh...

That blood will
flood the canvas,
forming a sea of
blood. This is the
third hell: the
Bloody Sea Hell!

Heh heh heh...
Any Chojin hit
by this attack
will have all
their blood
drawn out of
their body!

A large
amount of
blood is gushing
out of Robin
Mask!

I don't know what
this Bloody Sea Hell
rubbish is, but the
soft one here is you!

Interesting.
Show me this
weakness
you've found!

Heh...

Your Junk
Crush may
seem perfect at
a glance, but it
does have one
weakness.

Robin Mask and Junkman charge toward the center of the ring!

DIE!

The Junk Crush is just a direct attack that hits right in front of you!

With room to spare.

Your back is defenseless!

Thus, if I avoid the attack in the front...

THERE!

I can't move!

Junkman's spikes are caught in the mat and he can't move!

Robin Mask
is throwing
a knee drop
from on top of
the rope!

**Robin
Drop!**

It's over!

**Demon
Art!**

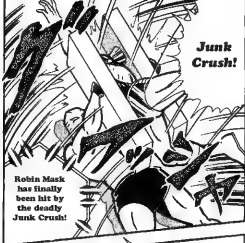

**He has
a face
on the
back
of his
head!**

**Double
Face!**

Aah!

**Junk
Crush!**

Robin Mask
has finally
been hit by
the deadly
Junk Crush!

ROBIN!

Golden Mask Arc 15

Robin: Chojin Professor

How amusing.
If you won't die,
I'll just crush you
into a coma!

There he
goes again!

For all 28
years of my
life, I have
lived the
Chojin way
and do not
intend to die
here.

Is... Is he
immortal?

ROBIN!

I have to attack
while circling
around him.

There's only one
way I can defeat
Junkman's attack.

Idiot.

Robin Mask
has nimbly
avoided Junkman!

There!

FACE!

Double...

Take this!

**Robin Mask
has been hit
by the Junk
Crush again!**

Then I just
have to hit
that extra
face...

Robin, you can't
attack him from
behind! He's got a
face on the back
of his head!

I've already
shown you
that moving
behind me
doesn't
work!

Tsk...

Robin
Mask is
back up!

It looks like I
won't be able to
leave you in
one piece.

Run,
Robin!

Speed...
I just need to
move faster...
I need to make
my body move
faster...

I'll just
turn you
into a pile of
muscles!

Will this
Junk Crush
be the end!?

Take this!

Of course!

Make my body faster...

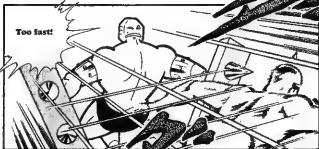

Whatever Robin Mask is thinking, he's removed his belt and part of his mask!

I'll just make my body lighter!

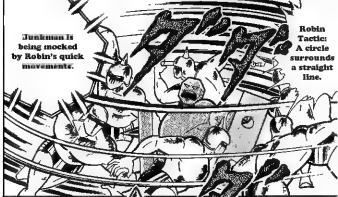

Aah!

**Junkman is
being mocked
by Robin's quick
movements.**

**Robin
Tactic:
A circle
surrounds
a straight
line.**

**That intelligent
fighting style
must be why he's
called "The Chejin
Professor".**

**There's
the real
one!**

**I'm confused.
I see many bodies,
but of course there's
only one. With our
two faces, we'll see
through it and
crush him!**

**How long
can he keep
this up?!**

**No, he's
back here!**

Guh!

But he
aimed at
one of the
illusions!

There!

Aiming at
the countless
Robins,
Junkman's
diving
backward.

Ro...

Good
thinking!
Now it's
one-on-one
again!

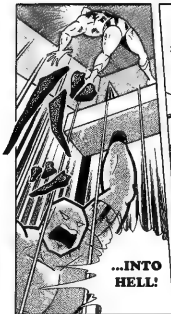

Gyaah!

Junkman used
too much force
and smashed
his face on the
corner post!

ROBIN!

...but it looks
like Robin
Mask used up
all of his
power on that
attack.

**...INTO
HELL!**

But you
used up all
your power
doing it!

Heh heh...
Your attack
did manage
to hurt my
reverse
face...

Now you'll
fall quietly...

**JUNK
CRUSH!**

Robin!!

**Robin Mask is
on a straight
line to hell!**

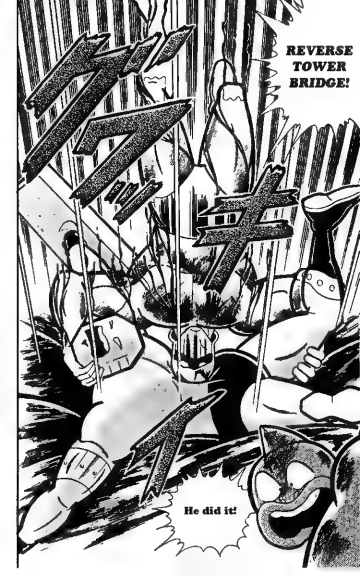

**The blood
covering
Robin's
body has
caused him
to slip out!**

**You're the one
going to hell!**

Geh...

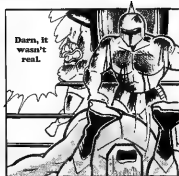

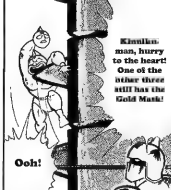

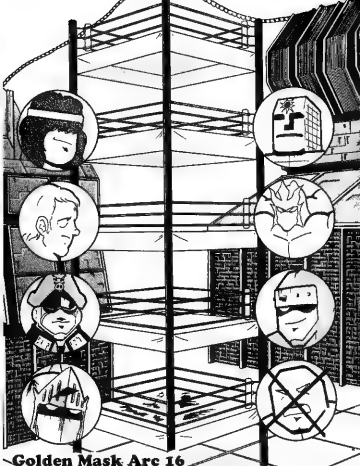

**REVERSE

He did it!

Loyalty and Betrayal at Will!

FIVETER RING
Second Floor
Brocken Jr. vs.
The Ninja

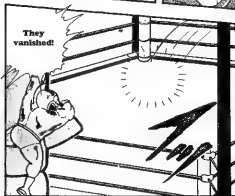

This is it!

Looking at the position, it looks like a California Crash!

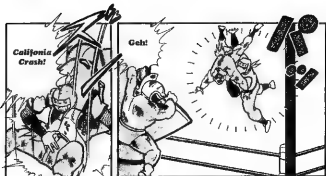

No Chojin has ever escaped his California Crash. The Ninja is done for.

They vanished!

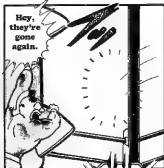

Loyalty and Betrayal at Will Jutsu!

That voice...

Chojin Strength power down!

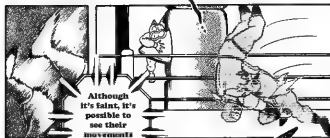

Hey, they're gone again.

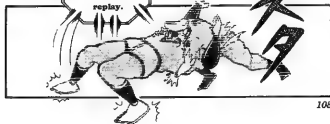

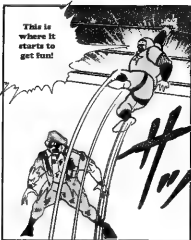

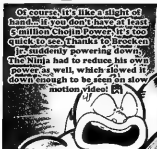

What happened!?

They haven't completely vanished!?

Although it's faint, it's possible to see their movement! in a slow-mo replay.

**Ninja Art:
Spider Web
Binding!**

The Ninja has
locked Brocken's
body in the middle
of the ring, using
the ropes like a
spider catching a
butterfly!

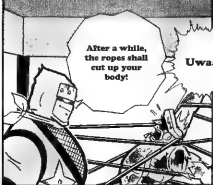

Brocken!

Heh... the
more you
struggle, the
worse it'll
get!

Ugh!

But that is
no fun...
I shall show
you how
they did
things in the
olden days!

After a while,
the ropes shall
cut up your
body!

Uwaa!

The
olden
days!?

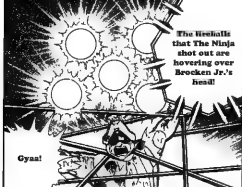

The Ninja
is shooting
fireballs from
his mouth!

Aah!

What's this have to do with the olden days?!

The Heshalls that The Ninja shot out are hovering over Broken Jr.'s head!

Gyaa!

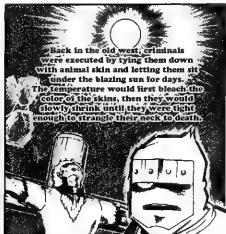

Hanging a skin?

Think of hanging an animal skin under the blazing sun...

This rope is turning into snakeskin!

Back in the old west, criminals were executed by tying them down with animal skin and letting them sit under the blazing sun for days. The temperature would first bleach the color of the skins, then they would slowly shrink until they were tight enough to strangle their neck to death.

**This western
desert zone is
Hell Tour #4:

**Hahaha!
Do you get it?
My fireballs
are the suns!**

UWAAAAA!

**The heat
is quickly
shrinking the
snakeskin
rope, crushing
Brocken Jr.'s
body!**

**Brocken's
going to die!**

キン肉マンⅡ

Alright,
will you
show
me?

What?
Your
nin-

The Ninja,
since it looks
like I'm about
to die, I think
I should use
my ninjutsu.

It's 99%
impossible
to escape
from here...
I'll just have
to use that
remaining 1%..

What!?

Thanks!

Gya!

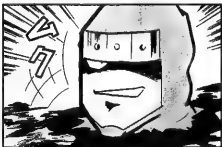

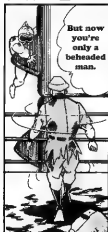

What a

Brocken Jr.
has stolen The

GYAA!

This is

I've beat

If I

I see. Each
piece of The

is connected
to strings.

Somehow,
each slash from
Broken Jr.'s
blade-like hand
is causing The
Ninja's body to
fall to pieces!

What
happened
to him?

I figured out that
you were using
strings to control
your arms and legs
from somewhere...

Now show
yourself!

Aah!

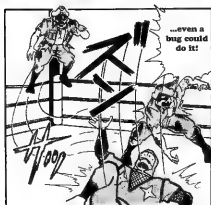

The Ninja's true form was hiding inside of his torso like a turtle!

Heh heh heh...
I'd expect no less from you. You saw through my mind-strings, which shouldn't be able to be seen by anyone! I hid within this torso the whole time and controlled my limbs with telepathy!

...even a bug could do it!

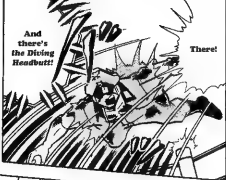

Defeating that poor jutsu...

And
there's

There!

The Ninja's

The

Geh!

To his surprise, Brocken is sinking into the water-pattern on the canvas!

My Movement at Will Jutru can send the target anywhere. This one is the Water-surface Hell Picture.

Don't think that this is just a pattern!

But it's just normal water? I'm surprised.

I didn't know that such a thing existed.

This is what I have for you.

Heh heh. Nice, isn't it?

...but, I call it "hell" for a reason.

It's
oil!

The Ninja has
turned the blue
water black by
spreading his
black belt on
the canvas!

Why's this
water so
thick!?

What!?

My hell is the
"Scorching Hell"!

Have you
already
forgotten?

Scorching
Hell

Warsman,
I'm sorry for
this.

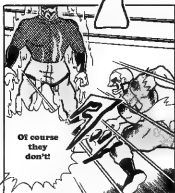

This
should
finish
him, too.

A gust
has blown
the oil
belt onto
The Ninja,
covering
him in
flames!

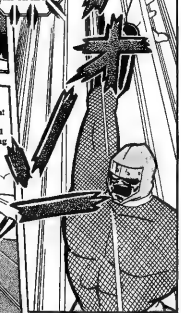

Uwa!

With
amazing
force,
Brocken is
tossed in the
air on fire!

Die,
Brocken!
This is
my final

**Brocken
is diving
directly into
the lava!**

Golden Mask Arc 18

Double-level Hell!

Sorry, but
I'm not a
corpse just
yet!

What!?

Brocken jr.
is pulling
himself
upward!

Stop!
That's
dirty!

The Ninja
uses a storm
of Shuriken
Stomps to his
Brocken, who's
hanging on for
dear life!

Hey!
Chojin
must
fall to
their
doom!

What are
you saying?
Winning is
everything to
a Devil
Chojin!

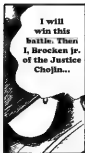

Only one of
us can do it,
though.

Winning is
everything to
me, too.

...will be
known to
the world!

I will
win this
battle. Then
I, Brocken jr.
of the Justice
Chojin...

What
are you
doing!?

Broken Jr.
frees himself
with a head-
butt to the
face!

DIE!

Broken!

This time,
I'll drag you
down myself!

The Ninja is
in position
for a Brain
Buster at
the crater's
edge!

Brocken's
dead!

Heh... It
seems my
face has
gotten
messed up.
I think I'll
take yours.

Stop!

Aah!

The Ninja's
Brain Buster
has slammed
Brocken Jr.
against the
wall of the
crater!

This
has to
be a
fake!

It's not
a fake.
Beyond that
floor, a truly
terrible hell
awaits!

You said
this was
hell, but it
isn't hot
at all!

Unhand
me! I'm
not ready
to go to
hell, yet!

Robin, are
there any
changes
down
on your
floor?

I hear them!

Hell is right beyond this floor!

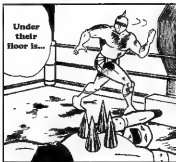

You're ugly, The Ninja!

Unhand me!

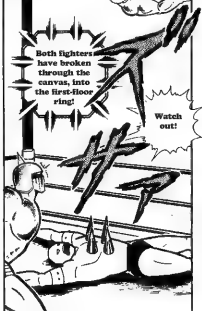

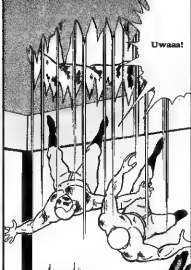

Junk-man's corpse is the true hell!?

Under their floor is...

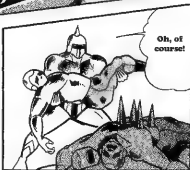

Right beyond that floor...

He saved the
real Brocken! The
Justice Chojin have
their second win!

The Gold
Mask!

Alright, I'll
head up to the
third floor!

Minako-
man, now
isn't the
time to be
dejected!

It's
another
bake!

Hey Robin,
am I an adult
Justice Chojin,
now?

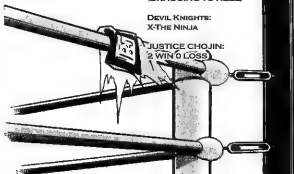

You're an
amazing
Justice
Chojin...

JUSTICE CHOJIN:
O-BROCKEN JR.
(DRAGGING TO HELL)

DEVIL KNIGHTS:
X-THE NINJA

JUSTICE CHOJIN:
2 WIN 'G LOSS

Ahura
Face:
Angry!

Ashuraman
has got
Terryman
in a Neck
Hanging!

DIE!

Uwa!

He's
growing
arms!

But
that's
not all!

It's still too
early to be
surprised,
Kinnikuman!

He's using a
Neck Hanging
with one set of
arms, and a Bear
Hug with the
other! This is the
first time I've
seen that!

**Watch closely,
Kinnikuman!**

**His form is
the same as
my Kinniku
Buster!**

Golden Mask Arc 19

Split Apart: Ashura Buster!

A Team Kinniku Release

Geheheh!

Ashuraman's
Ashura Buster
is the same as
Kinnikuman's
deadly Kinniku
Buster!

Prince's
Kinniku
Buster!

He's a
plagiarist!

He's
stolen my
technique!

It's simple: If this move is a
copy of the Kinniku Buster,
then I can reverse it with
the 6-to-9 Kinniku Buster
Reversal or the New Kinniku
Buster and it'll break!

Don't
worry, Kin-
nikuman!

Watch carefully!
It's more than just
a simple copy!

Of
course!
You've
got this!

Heh heh...
You say that
now, but
the Ashura
Buster is
also called
the "Triple
Kinaku
Buster"!

Ashuraman
jumps, making
this the first
presentation of
the Ashura
Buster in
Japan!

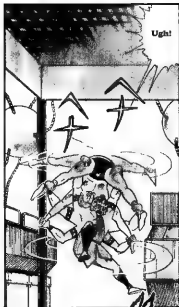

6-to-6
Kimiaku
Buster
Reversal!

Nobody
can escape
this!

No! His six
arms have
us held
perfectly!

Ugh!

Then I'll just have to hit him on the ceiling with the Neo Kinniku Buster!

There!

Aah!

Uwa!

With no way to resist, is Terryman going down with General Kahruman?!

I can't spin! There's no way I can get high enough to hit him on the ceiling!

TERRY!

Aah!

That
was too
much...

Kin-
niku-
man...

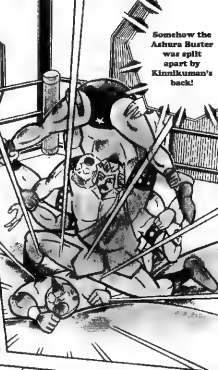

Ugh!

Somehow the
Ashura Buster
was split
apart by
Kinnikuman's
back!

I'm
sorry,
Kinni-
kuman!

You
were afraid
that there's
a technique
that's better
than your
move in every
way, so you
stopped it.

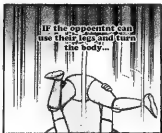

What!?

To protect your
Kinniku Buster!
In other words, you
admit that the Kinniku
Buster is inferior to the
Ashura Buster!

I didn't do it
for your sake,
I did it for
the Kinniku
Buster, which
I made from
blood sweat
and tears!

Aah!

But what if you have six arms, like Ashura-man?

I only have two hands! I can't grab the wrists AND ankles!

On the other hand, spinning while your arms are open can give you enough momentum to do the Neo Kinniku Buster.

You can use a Reversal or Neo Kinniku Buster!

He can grab both the wrists and ankles!

I've lost...

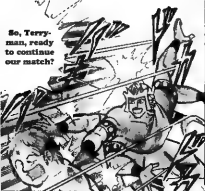

Along with the back, side, and neck, that the Kinniku Buster hits!

As a bonus, this technique also hits the ankles and chicken-wing.

77

Heh heh... Too bad my opponent is Terryman!

So, Terry-
man, ready
to continue
our match?

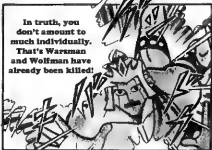

I'll cook
you up,
later!

Ahh,
Terry!

Terryman
can't escape
Ashuraman's
six slapping
arms!

In truth, you
don't amount to
much individually.
That's Wartman
and Wolfman have
already been killed!

Terryman
has caught
Ashuraman's
arm!

Gya!

But I won't let you talk like that about my fallen allies!

I don't mind being spoken badly of...

Ashuraman, you shouldn't have said that...

My arm was torn in the process...

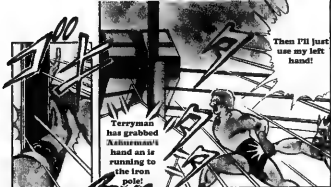

But his right arm looks injured!

Terry!

Terryman has broken off Ashuraman's arm with an Angry Arm Breaker!

Then I'll just
use my left
hand!

Terryman
has grabbed
Ashurman's
hand and is
running to
the iron
pole!

Yah!

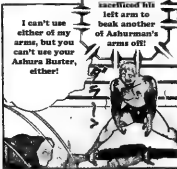

He did it!

Those are
the arms of
the Sevil
Devils we
defeated!

Huh?

I can't use
either of my
arms, but you
can't use your
Ashura Buster,
either!

Terryman has
sacrificed his
left arm to
break another
of Ashurman's
arms off!

You remember how we killed those seven Chojin who failed to eliminate you?

What!?

You see, I'm not a Chojin who would bring his own arms here. Instead, I use arms that I've stolen from Chojin I've killed.

I rank their arms right before they died!

If I keep stealing new arms, I can keep growing them back if they're lost.

These arms belonged to The Mountain, Atlantis, Mr. Khamen, and Black Hole!

Golden Mask Arc 20

Certain Kill: Tornado Hell!

A healthy pair of
Terryman's arms
are moving to
Ashuraman's body!

My
arms...

Those are
Terryman's arms!
They have the star
symbol of the
American Chojin!

KAKA!

It's all because
you fell into my
trap by removing
my arms, so I
could take yours!

What do you
think? How's it
feel to be defeated
by your own
arms!? Since I took
your arm, I think
I'll use your
techniques!

キン肉マン

Terryman
has found an
opening and
brought him
down with
Leg Scissors!

Give me
back my
arms!

Alright! Use
the Spinning
Toe Hold,
Terry!

Of course!
I can't do it
without my
arms!

Alright!

Uh...

How's
that,
Terry-
man?

KAKA
KA!

Ashuraman
has reversed
it and put
Terryman in a
Spinning Toe
Hold!

This is how
you do the
Spinning Toe
Hold!

KAKAKA!
Just as I
thought,
Terryman's
arms are
experts at
this move!

Uwa!

Of course!
He can use
that again,
since he has
all six arms!

Don't fall
asleep just
yet. I'm going
to finish you
off with the
Ashura
Buster!

There's no shame
in it! Running is a
fine strategy
when you have
no other
options!

Terry,
run away!

Kinniku-
man said it!

This is
unusual! The
normally
prideful
Terryman is
running!

Running is
a strategy,
too!

Ashura-
man has
made a
second
tornado!

KAKAKA!
You can't
run!

Terry's
trying to
escape the
ring!

Uh...

You can try,
but do you
really think
you'd survive
the fall?

Uuh!

Uwa!

In his
moment of
confusion,
Terryman is
surrounded
by the
tornado!

...and it
looks like
he's falling
above
Ashuraman's
head!

Terryman's
been hit by
the tornadoes
and flung into
the air!

Take
this:

You
can't
run
away
this
time!

It's over
for real this
time!

Uwa!

**Ashura
Buster!**

Ashura Man has
done a mid-air
Ashura Buster
without having
to approach
Terryman!

Ashuraman's
Ashura Buster
landed outside of
the ring onto
Warsman's
computer control
unit! The cushion
cut the attack's
power in half!

Terryman's
arms must
have caused
the attack to
miss like
that!

If that's how it
is, then I'll just
have to make
the Ashura
Buster take his
stamina!

DIE!

**Ashura
Angry
Face!**

**Terryman
is on the
defense from
Ashuraman's
fury of
punches!**

**KAKA
KA!**

**Terry, those punches
are from your arms!
Will you be beaten
down by you own arms!?**

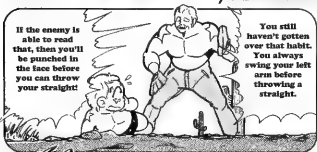

**This is the first
time I've taken
such amazing
punches...**

**They say that when
a person dies, they
remember their
family, friends, and
childhood. If that's
true, then...**

**I can't
avoid my
own Terry
Punch I
invented...**

You're just babbling. It may be bad for me now, so I just have to get out of this hold!

Without my arms, I can only use leg techniques! I won't let go of this leglock, even if I die!

An earthquake!? What's happening!?

Didn't you notice the strange circumstance!?

The Only Technique!

Please Stand By

Sorry to interrupt the story like this, but there were some minor difficulties with the next two pages. (our raws left the pages out, so we don't have them) If anyone has them, please let us know so we can finish the chapter. In the meantime, this page is acting as a placeholder.

To summarize the missing pages, it turns out that the earthquakes were caused by Warsman's control unit being damaged, causing him to have spasms.

**-Team Kinniku Staff
(<http://teamkinniku.50webs.com/>)**

But why is
Warsman's
Control Unit
suddenly
breaking
down!?

But if the
Reserve Control
Unit breaks
down, it'll send
a shock to the
Main Control
Unit and kill
Warsman!

You're the cause
of the damage,
Terryman!

What do
you mean?

Have you
already forgotten?
How did you save
yourself from my
second Ashura
Buster?

What?
I'm the
source!?

The
second
Ashura
Buster?

You didn't
land in the ring,
you were saved
by the soft
Control Unit!

Of course...
That made
the Control
Unit...

Heh heh heh...
You're a bad
man, hurting the
insides of your
friend like that!

It looks like
Terryman's
distress is
weakening
his hold...

...but what
have I done!?

I know
that I
had no
choice...

OWAAH!

Is this a
miracle?
Terryman
threw a punch
with his rotting
left arm!

This can't be!
I've stolen
his arm!

キン肉マンⅡ

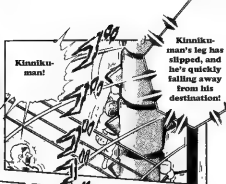

KAKAKA!
Wouldn't it be
best if you let
go of me and
ran off?

The earth-
quakes are
quickly
growing
more violent!

How many
times do I
need to say
it? I don't let
go, even if
I die!

Owa!

The impact
of the
quake has
torn off
Terryman's
arms!

Kinriku-
man!

Kinriku-
man's leg has
slipped, and
he's quickly
falling away
from his
destination!

Doctor, isn't
there any
way to stop
the quakes??

But what can
give a shock
equal to
the Ashura
Buster?

...Therefore,
by giving it
another, equal
shock, we
possibly may
stop
them.

The earthquakes
started when
Ashuraman's
Ashura Buster
crashed into
Warsman's
Computer Control
Unit...

One
more
Ashura
Buster?

THAT WILL SHOCK
WARSMAN'S
CONTROL UNIT
AND STOP THE
EARTHQUAKES.

TERRYMAN,
YOU HAVE TO
TAKE THE
ASHURA
BUSTER ONE
MORE TIME.

...YOU WILL DIE AT
THAT MOMENT. I WON'T
FORCE YOU TO DO IT.

EVEN IF YOU USE THE
CONTROL UNIT AS A
CUSHION AGAIN, I'M
CERTAIN THAT IF YOU
TAKE ONE MORE
ASHURA BUSTER...

Terryman,
you...

Huh?

What are you
doing, Terryman!?
Why aren't you
strangling him to
death with the
Figure 4 Leglock?!

What is
Terryman
thinking!?
He's let go of
the Figure 4
Leglock!

Ah!

Of course! It was
at the Bullet
Train throwing
match during
the 2nd Chojin
Olympics! He
threw the match,
jumped on the
track, and saved
a puppy!

Those eyes...
I've seen
them once
before...

COME ON,
ASHURAMAN!
USE YOUR
ASHURA
BUSTER!

I want to
save my
own life
just as
much as
Warsman's!

Terry,
you'll die!

Will...
will he do
it?

KAKAKA!
It looks like
you've made
your choice,
Terryman!
